#### Boy Finds Speech.

Dwyer, aged 4, son of Dr. William Dwyer, of Niagara Falls, has been frightened into the correct use of his tongue by burning his fingers.

While visiting at the apartments of Mr and Mrs. B. H. Ross in the Wayne hotel at Toledo, Ohio last Sunday, the little fellow played with the incandescent light.

He unscrewed the bulb and stuck his fingers in the socket.

The current of electricity was turned on and he burned the end of one of his fingers severely. His cries brought Dr. Dwyer to the scene, to whom the boy said: "Papa, I burnt my fingers on the light."

The lad had been unable to speak an intelligent word since birth. Dr Dwyer had exhausted medical and surgical skill to bring speech to him. Several times he had the little lad's tongue cut in the belief that he was tongue-tied but the operation proved fruitless. The boy is now able to speak fluently.

### Mrs. Emma Wetzel Waugh.

In the 34th year of her life, at her home near Anthony, Feb. 28, 1907, Emma Wetzel Waugh, wife of Ison Waugh, quietly passed from beneath the burdens and toils of this life to a rest in the home beyond leaving to mourn her departure a husband, a mother, a sister and three brothers. Mrs. Waugh was a daughter of Mrs. Sallie Wetzel of Lewisburg, and prior to her marriage had spent 14 years as a teacher in the public schools of Greenbrier county devoting her earnings to the support of her mother and the rest of the family, she being the oldest member and her mother, a widow, the burden rested heavy upon her shoulders. For over twenty years the deceased had been a constant and faithful member of the M. E. Church South and departed this life in the fullness of Christian faith.

While her life is only known to a limited number of the people of this county her husband, to whom she has only been married about 8 months is well known as he was raised on Stony Creek and for a number of years run the Waugh Mill where he was made many friends that now bow in submissive sympathy during his sorrowing hours. The body was brought up on the morning train Saturday and amid a large crowd of friends and relatives was laid to rest in

#### Death of Isaac Sharp.

The entire community was shocked Monday to learn that Isaac Sharp was dead at his home near Edray. His death was due to paralytic stroke received Saturday afternoon. He had gone to a distant field to feed his cattle, taking with him his eight year old son. Some distance from the house he was taken sick and handed the reins to his son to hold the horses. He immediately fell over on the sled. The boy hurried home and reported the fact to his sister who was the only one at home at the time and she hurried to her father's assistance, sending the boy to a nearby sawmill for help. When the men from the mill reached the stricken man's side they found him unconscious. He was taken home and remained in that condition until he died.

Mr. Sharp was one of the most prominent and highly respected citizens of the county. He is survived by a wife—his second—and eight children, besides a number of brothers and sisters. He was a son of the late Jacob Sharp and was 57 years of age. Funeral services were conducted at his home by Rev. Geo. P. Moore assisted by Rev. G. W. Marston. A large concourse of people was present at both the service and burial.

## DIES SUDDENLY

Prominent Marlinton Business Man  
Passes Away in Oklahoma.

Profound sorrow was felt by all of our people last Saturday afternoon when a message came announcing the sudden death of G. E. Miller, of the Nickell-Miller Hardware and Furniture Co., which occurred at Sulphur Spring, Oklahoma early that morning. The news of his death was indeed a shock for it was understood that he was getting along well and bid fair to recover.

Mr. Miller had been unwell for several months past with what was supposed to be rheumatism. A few weeks ago he went to the Hinton Hospital and there it was discovered he was suffering from consumption. He immediately went to Oklahoma but the change of climate was of no avail. His wife was summoned to his bedside last week and was with him when the end came. He was about 38 years of age and leaves a wife but no family. He was a native of Monroe county but has been a resident of Marlinton for the past three years as Manager of the Marlinton Furniture Co. and later manager of the Furniture department of the Nickell-Miller Hardware and Furniture Co. In this short time he became known to a majority of the people in this county and by his pleasing manner and strict business principles gained their warmest friendship. His remains were brought to Roncovert Monday and were interred in the graveyard at his old home in Monroe county.

### Death of J. H. Patterson.

J. H. Patterson died Friday, October 4th, 1897, of paralysis, after an illness of a few days.

Mr. Patterson was born in the city of Stannton, Va., January 14, 1834. He was converted in his youth and joined the Methodist Episcopal Church, South, remaining a consistent member thereof up to the time of his death. For years he faithfully served God and his church, as Sunday school superintendent at both Greenbank and this place, in fact one of his chief delights was work among the children, who were readily attracted to him by his affectionate interest for them.

He also served his church at different times as Seward, Trustee and Representative to the District Conference, and was always ready and faithful to the call of duty. With him the Kingdom of God and his righteousness were always first and his absence will be greatly felt by his church.

He was a member of the Encampment Branch of the I. O. O. F. of this place, and according to a recently expressed desire of his, the services at the grave were conducted by the order according to their rites. Kenison, assisted by Revs. Spangler and Swocker. Six of his sons were the pall bearers. The deceased was one of our best known citizens. He was born and raised in Highland county. He was with President Davis a few days before the latter was captured and was granted leave of absence and given a pass by the Confederate President. This he prized very highly and had it in his possession to the day of his death. After the war he learned the carpenter trade and became a most skillful mechanic. Surviving him is his wife, a daughter of Colonel B. F. Jackson of Rockingham county, Va., a daughter and seven sons. Two sons, Perle and Cliff, of Kansas City, Mo., arrived home a few hours after their father's death.

#### Death of Mrs. McClintic.

Mrs. Mary McClintic, widow of the late Wm. Hunter McClintic, died in Marlinton at the home of her son, L. M. McClintic, at an early hour Tuesday morning. Over a year ago she had a bad fall from which she never fully recovered, and her death was not unexpected. She was 94 years of age.

Mrs. McClintic was the only daughter of the late Sampson Mathews at one time owner of most of the land lying around Millpoint. Her husband, Wm. Hunter McClintic, died some seventeen years ago. In early life she united with the Presbyterian church and always lived a Christian life consistent with her faith. Until the time of the accident which confined her to her room she was a regular attendant at church even though at times it was necessary for her to be conveyed to the church services by a dutiful son. She was always a friend to the needy and her kindness will not be forgotten by those who have received aid at her hands. Funeral services were conducted at the Presbyterian church by her pastor, Rev. A. H. Rachal, assisted by Revs. A. M. Cockley, D. D., and Jacob A. Hiatt. The floral tributes were many, her casket being literally covered. After the services her remains were taken to Millpoint and laid beside those of her husband in the Mathews burying ground to await the final summons. She is survived by four sons, Edward D., of Seattle, Wash.; George W., of Charleston, Lockhart M., of Marlinton, and Withrow, of Buckeye.

#### Aaron Ryder.

Aaron Ryder, one of the oldest and most prosperous farmers in the county, died at his home at Frost, Tuesday, July 25th, aged 79 years. He had not been in good health all summer. Sunday he suffered a stroke of paralysis from which he did not recover but died two days later. He was married three times. He first married a lady in the west. She died leaving a son, George, now living in Highland county. He returned to this county and married Maggie Bird, a Highland county lady. She died some five or six years ago. About sixteen months ago he married Mrs. Harriet Trimble who still survives. He was buried at Green Hill cemetery Wednesday services being conducted at the M. E. Church at Frost by Rev. Charles Morgan. Mr. Ryder was a local preacher in the M. E. Church South, but so far as we can learn never had a circuit. Even at his advanced age he frequently preached in his neighborhood. He was a good man and he will be greatly missed in the community for many years.

Her surviving children are Mrs. J. C. Harper, of this county and Mrs. O. M. Pullin, of Point Pleasant. Funeral services were conducted by Rev. Thomas Morgan and her remains were laid to rest in the family graveyard at Frost. She was 71 years of age, and was a consistent Christian lady all her life, being one of the trustees of the Frost M.
